OCEANIS 46.1

The Oceanis 46 boasts all the features of a large cruising yacht, with a rare balance between elegance, usable space and performance. Her stepped hull opens up an incredible amount of space inside and yet her seakeeping performance is still impressive. A large number of clever customizable fittings make her easy to sail and pleasantly comfortable.

EXTERIOR DESIGN

The Oceanis 46.1 is based on a Finot-Conq plan, keeping the distinctive stepped hull of the 51.1. Apart from her performance at sea and the huge amount of space that set this boat apart, this architecture makes optimal use of the cockpit beam. An incredibly efficient deck plan makes her wonderfully safe and easy to use. The furling mast, self-tailing jib and all the halyards and sheets brought back to a single winch at each of the helm stations, make manoeuvring simple when short-handed sailing.

INTERIOR DESIGN

Large hull portholes bring a considerable amount of natural light right into the centre of the boat, so that you can truly enjoy the elegant interiors by Nauta Design. A choice of light brushed oak or mahogany set the tone and create the interior atmosphere, which can be readily customized.

EVERY STYLE OF CRUISING

Easy to sail, easy-going and fast, the Oceanis 46.1 can be customized to make her unique, appealing to a wide range of crews. Attention to design details makes life on board a real pleasure and you can sail confidently in the knowledge that she is safe.

COCKPIT AND RELAXATION

The Oceanis 46.1 has a very spacious cockpit with space for 8 guests around a large table. There are two reclining sun loungers together with drinks holders on either side of the companionway. These can easily be lifted and brought forward onto the fore deck.

CHARACTERISTICS

LENGTH OVER ALL :
14.60
HULL LENGTH :
13.65
HULL BEAM :
4.50
LIGHT DISPLACEMENT :
10 597.00
FUEL TANK CAPACITY :
200 L +
200 L (option)
