

Sun Odyssey 419 (2018)

This beautifully maintained **2018 Jeanneau 419** offers the perfect blend of comfort, performance, and proven charter pedigree. After serving several successful seasons in charter, she spent her most recent year as a private liveaboard, cruising the Greek islands under the care of an owner who treated her as a true home at sea. That combination of professional upkeep and attentive private ownership has left her in excellent condition throughout, with every system regularly serviced and maintained to a high standard.

The owner is reluctantly selling only to be closer to family, opening a rare opportunity to acquire a well-sorted, sail-away-ready yacht with a transparent history. She's a fantastic choice for a family cruiser, liveaboard, or continued charter operation. Inspections and sea trials are warmly welcomed.

Survey from December 2025 is available to be consult by serious buyers.
