

Axopar 37 Sun Top (2020)

This Axopar 37 Sun Top belongs to the 2020 redesign era of the model — the "Revolution" generation, which brought a sharper hull and refined styling while keeping the 37's all-weather DNA intact. It breaks convention with distinctive looks and a multi-functional layout that blends sheltered and open-air space, offering the room and comfort of a much larger boat while staying simple and confident to handle — even solo.

Privately owned and professionally maintained. Inspections encouraged.
