

Cantieri di Sarnico Maxim 45 (2001)

Built by **Cantieri di Sarnico**, the **Maxim 45** is an express cruiser that pairs speed with comfort, which makes it an excellent open boat for fast, relaxed cruising. This **second-owner** example has been maintained with extensive work carried out every year. Its Caterpillar engines were serviced in June and have run only 20 hours since. She is offered in **turn-key condition** with **EU VAT paid**, and comes with a Joker 315 RIB tender powered by a 15hp Mercury outboard. Viewings and inspections are welcome.
